Safety Waiver

Safety at EOH CIRCUS Camp

We are very proud of our safety record of accomplishment at the EOH CIRCUS Camp. We have never sustained an injury more serious than a minor scrape or bruise. Never under our care has a child needed any medical intervention.

We take every necessary precaution to insure your child's safety. Children are always supervised. Most feats, while exciting, involve no more risk than juggling 3 balls, doing a somersault or standing a few feet off the ground with a safety mat underneath. We are a staff of talented professionals with experience in circus and performing arts education. If, at any time you believe your children are doing something they shouldn't, please bring it to our prompt attention. Any relevant medical information should be brought to our attention before your child's participation (see Emergency Medical Form). If you have any questions or concerns, please feel free to contact the EOH or CIRCUS Camp Artistic Director, Jen Taylor, at the EOH: (315) 691-3550.

Please return the waiver as soon as possible or bring it to the first day of camp.

Liability Waiver Assumption of Risk

I, _____, (name of Parent of Guardian) am aware that some aspects of EOH CIRCUS Camp may consist of tumbling, partner acrobatics, low tight rope walking, human pyramids, juggling and clowning. I am aware that these can be hazardous activities. As the Parent/Guardian of my registered child, I hereby give permission for my child to fully participate in EOH CIRCUS Camp and release EOH and all its affiliates of any liability arising out of my child's participation.
