Announcing our 2023 Statewide Community Re grants Awards!

THE
HOYT FOUNDATION

EARLVILLE OPERA HOUSE AWARDS \$230,750 IN CULTURAL GRANTS TO THREE COUNTIES!

Earlville Opera House is pleased to announce the allocation of \$230,750 in cultural funding to 65 non-profit organizations and artists through the 2023 Broome, Chenango & Otsego Statewide Community Re grants Program (SCR). \$15,000 of this funding has been provided for Broome County by the Stewart W. & Willma C. Hoyt Foundation.

"This year's SCR application process was very competitive and encompassed two rounds of funding," said Earlville Opera House SCR Coordinator Victoria Kappel. "We received nearly \$300,000 in requests from organizations, municipalities, and artists throughout our service area. This shows both the vibrancy and importance of cultural programming to our communities as well as the great need for continued support of such a critical component of our rural area. We are particularly pleased to have been able to offer Individual Artist Commissions for the first time this year which are enabling 8 artists to create new works of art that will involve and benefit their communities."

The Broome, Chenango & Otsego SCR Program serves as a catalyst for local cultural development by supporting projects of artists and arts organizations that engage children, adults and seniors in events that enrich and enhance their lives. Funding provided through these programs helps to strengthen our communities by reaching the most rural of our townships and villages, providing increased access to a greater quality of life through the arts. The SCR program began in Chenango County in 1986, with Broome County added in 2003 and Otsego County in 2011. Earlville Opera House began administering the program in 2020.

New York State Council on the Arts established the SCR (previously known as Decentralization) Program in 1977 to foster the continued development of local cultural resources responsive to community need. SCR serves all of New York State's 62 counties, including areas that are geographically isolated, economically disadvantaged

and ethnically diverse. EOH is one of 26 SCR sites across the state. The basic principle of SCR re-grant funding is local decision-making using a peer panel grant evaluation process. The SCR program offers grant support up to \$5,000 for Community Arts and Arts Education projects and \$2,500 for Individual Artist Commissions.

The SCR Program is made possible with public funds from the New York State Council on the Arts with the support of the Office of the Governor and the New York State Legislature, and administered by The Earlville Opera House.

Seeking Commercial Tenant!**

#12 Available Immediately (pictured above)

Earlville Opera House owns #12 East Main Street, a 1000 square foot Victorian storefront on the historic Douglass Block, and we are now accepting inquiries to lease this space.

This shop has been newly outfitted with a top of the line environmentally friendly and cost effective RunTru HVAC system (you can run it from your phone!). Rent is \$675/month.

In order to benefit both the tenants and the Opera House, we are looking for a business that relates to Opera House programming and/or can provide a meaningful service to the greater Earlville community. For example, a store selling musical related items, a shop that has occasional live music or a musical or artistic theme, however all inquiries will be thoughtfully considered.

Become a Sustaining Partner

Your beloved Earlville Opera House faced tough new challenges during the pandemic shutdown. With no shows, no workshops or classes, galleries and gift shop closed and the theater dark we lost major portions of our revenue.
