and their upcoming events!

As a special event, we are hosting a satellite exhibit  
of select student artists from "On the Trail of Art",  
Butternut Valley Alliance's annual  
"Gallery in the Forest" project

In its third year, this event is about connections –  
student artists with professionals; arts with the natural  
environment; communities with each other.

Students from Edmeston, Gilbertsville-Mount Upton  
and Morris Central Schools are joined by local artists  
to transform Butternut Valley state forest through the  
visual arts.

This exhibit is on display at EOH from June 14 through July 8 and is free and open to the public.

Come see Gary for yourself as he plays Box Tops hits, songs he has written, songs by artists he has worked with, songs he likes, songs you like, songs your mama likes, and he will (mostly) tell true stories about stuff like working with Billy Preston, The Beachboys, Jimi Hendrix, The Doors etc...

### East Gallery **Maren True** **"A Tale of Tangled Textiles"**

"I've titled this show 'A Tale of Tangled Textiles', as like my writing, my felt pieces speak to the varied experience of magic: from a vivid dragon who'd love to snare you in a conversation, to landscapes of subtle enchantment."

West Gallery  
**Steph Joyce**

## "Crow Calls Twice"

Steph is an artist and researcher gathering moss in Leipzig, Germany. Through situated encounters and installations with material and temporal elements, such as textiles, objects, performances, videos, or audio pieces, Steph centers the aesthetics and affects of subjective and interdependent relations. Their work ambles in a space of non-linear speculation and somatic observation, aiming to resist normalized violence and move towards multi-species worldings.

## Arts Café **Bill McLaughlin** **"Face to Face: Portraits from the Precipice"**

Bill McLaughlin is a self-taught landscape painter and photographer living and working from his organic homestead in New Berlin, NY.

"Face to Face: Portraits from the Precipice" seeks to explore and acknowledge the diversity and richness of our upstate community through portraiture. It is also a subtle reminder that as the voices of hatred and intolerance seek to divide us, that as a community, we share much more that unites us than separates us." -Bill McLaughlin

## Earlville Opera House Seeking Commercial Tenant!

*#12 Available Immediately (pictured above)*

Earlville Opera House owns #12 East Main Street, a 1000 square foot Victorian storefront on the historic Douglass Block, and we are now accepting inquiries to lease this space.

This shop has been newly outfitted with a top of the line environmentally friendly and cost effective RunTru HVAC system (you can run it from your phone!). Rent is \$675/month.

In order to benefit both the tenants and the Opera House, we are looking for a business that relates to Opera House programming and/or can provide a meaningful service to the greater Earlville community. For example, a store selling musical related items, a shop that has occasional live music or a musical or artistic theme, however all inquiries will be thoughtfully considered.

Call (315) 691-3550 to inquire

Your beloved Earlville Opera House faced tough new challenges during the pandemic shutdown. With no shows, no workshops or classes, galleries and gift shop closed and the theater dark we lost major portions of our revenue. We are still recovering from this and you can help by becoming a Sustaining Partner!
