Vance Gilbert **March 11 @ 7PM**

“If Joni Mitchell and Richie Havens had a love child, with Rodney Dangerfield as the midwife, the results might have been something close to the great Vance Gilbert.” As the above quote from Richmond magazine suggests, Vance Gilbert defies stereotypes. It’s little wonder then that he also exceeds expectations. In this case, those two qualities go hand in hand. “I’m black, I sing, I play an acoustic guitar, and I don’t play the blues,” Gilbert insists. That may be a broad statement, but it rings with truth.

HAZMAT MODINE

Hazmat Modine March 26 @ 7PM

HAZMAT MODINE has toured the world for over fifteen years. From Borneo to British Columbia, China to India, Brazil to New Zealand; throughout Europe and into Siberia. The band distills American music into an essence from its myriad forms: Blues, Country, R & B, Rock-n-Roll, Jazz, Gospel, World Music, Soul, Roots... Yet it adds to this mixture something raw and mysterious that feels at once familiar and new.

Tumbleweed Gumbo March 13 @ 1PM

Have you ever imagined yourself in an Irish Pub, joining in on those old rowdy songs about the Wild Rover and the Star of the County Down? Imagine no more! With Larry Jordan leading the charge, we're gonna have a rollikin, swollikin bold old time belting the choruses of Bold O'Donoghue, Black Velvet Band, The Rising of the Moon and many more. Sure, you can just stomp your feet, clap your hands and hoot as Central New York legend Liz Fiddle shreds Irish, Scottish, Quebec and Cape Breton fiddle tunes between drinking songs (with a little help from Werner Koegst on bass, Steve Blais on bodhrán and button accordion), but we'll make the singin' easy for yez with lyric sheets and unconditional love for whatever comes outta yer gob!

REBUILD
NEW YORK

New York isn't
New York without
its artists.

Learn more about Creatives Rebuild New York's (CRNY) \$125M investment in the financial stability of New York State artists and the organizations that employ them.

Guaranteed Income for Artists (GI): Will support 2,400 New York State artists with regular, \$1,000, no-strings-attached cash payments for 18 consecutive months.

Artist Employment Program (AEP): Will fund employment for 300 artists working in collaboration with community-based organizations across the State for 2 years. Participating AEP artists will receive a salary of \$65,000 per year plus benefits and dedicated time to focus on their artistic practice.

Note that non-arts community-based organizations (e.g., social service, education, justice, and environmental organizations), arts organizations, and government entities are all welcome to apply to employ individual artists for CRNY's Artist Employment Program.

Applications for both programs launched February 14 and the deadline to apply is March 25 at 11:59 PM Eastern.

50th Anniversary Retrospective

Earlville Opera House (EOH) is celebrating 50 years as an incorporated nonprofit arts center in 2022 and we are celebrating the many talents of previous exhibitors!

EOH is home to three gallery spaces, the East Gallery, West Gallery and the Arts Café which annually present between 12-15 solo exhibitions of regional and national contemporary visual artists representing all media, and we host the coveted yearly Quilt Show. This year, we're hosting one special collective exhibit combining and celebrating the past beautiful creations that have highlighted our walls.

Become a Sustaining Partner

Your beloved Earlville Opera House faced tough new challenges during the pandemic shutdown. With no shows, no workshops or classes, galleries and gift shop closed and the theater dark we lost major portions of our revenue. We are still recovering from this and you can help by becoming a Sustaining Partner!
