**Marcia Ball**  
**October 7 @ 7pm**

**“Rollicking, playful, good-time blues and intimate, reflective balladry...her songs ring with emotional depth” -*Rolling Stone***

**"A welcome ray of sunshine...Ball is a killer pianist, a great singer and songwriter. Potent blues, sweet zydeco, soulful, fast and furious Texas boogie...heartfelt, powerful and righteous" -*Billboard***

“Fifty years have passed in a flash,” says Texas-born, Louisiana-raised pianist, songwriter and vocalist Marcia Ball of her long and storied career. Ball, the 2018 Texas State Musician Of The Year, has won worldwide fame and countless fans for her ability to ignite a full-scale roadhouse rhythm and blues party every time she takes the stage. Her rollicking Texas boogies, swampy New Orleans ballads and groove-laden Gulf Coast blues have made her a one-of-a-kind favorite with music lovers all over the world. With each new release, her reputation as a profoundly soulful singer, a boundlessly talented pianist and a courageous, inventive songwriter continues to grow. Her love of the road has led to years of soul-satisfying performances at festivals, concert halls and clubs. The New York Times says, “Marcia Ball plays two-fisted New Orleans barrelhouse piano and sings in a husky, knowing voice about all the trouble men and women can get into on the way to a good time.” The Houston Chronicle says simply, “She’s as perfect as an artist can be.”

## Upcoming Gallery Exhibits

September 23 - November 4

Opening Reception ~ September 23, 1-3pm

### East Gallery **Kelly Olshan** **"Someplace Else"**

My work responds to the idealism and anxiety of endless striving, grappling with a relentless fixation on a better elsewhere. My 3D paintings and site-responsive installations invite the viewer to navigate an imagined landscape. Abstracted staircases defy spatial logic: rendered impossible to climb, they provide false pathways to an inaccessible

place. [READ MORE](#)

## **West Gallery** **JW Johnston** **"Home Body"**

This is my home and I wear it like skin. This is where casual conversation provides sustenance, where triumphs are celebrated, failures endured, where my father died despite my attempts to resuscitate him, and where I once shared an observation with my mother before remembering she had died a week earlier. ## **Arts Café** **Patrisha Heaton** **"A Retrospective"**

Over the years I've worked with charcoal, pastels, acrylics, and darkroom photography. I felt an immediate shift when I bought myself an iPad and an Apple Pencil...I never looked back. I love the immediacy of using digital painting and collage with my images. [READ MORE](#)

# Congratulations!

## Announcing our 2023 Statewide Community Re grants Awards!

Council on  
the Arts

## EARLVILLE OPERA HOUSE AWARDS \$230,750 IN CULTURAL GRANTS TO THREE COUNTIES!

Earlville Opera House is pleased to announce the allocation of \$230,750 in cultural funding to 65 non-profit organizations and artists through the 2023 Broome, Chenango & Otsego Statewide Community Re grants Program (SCR). \$15,000 of this funding has been provided for Broome County by the Stewart W. & Willma C. Hoyt Foundation.

"This year's SCR application process was very competitive and encompassed two rounds of funding," said Earlville Opera House SCR Coordinator Victoria Kappel. "We received nearly \$300,000 in requests from organizations, municipalities, and artists throughout our service area. This shows both the vibrancy and importance of cultural programming to our communities as well as the great need for continued support of such a critical component of our rural area. We are particularly pleased to have been able to offer Individual Artist Commissions for the first time this year which are enabling 8 artists to create new works of art that will involve and benefit their communities."

The Broome, Chenango & Otsego SCR Program serves as a catalyst for local cultural development by supporting projects of artists and arts organizations that engage children, adults and seniors in events that enrich and enhance their lives. Funding provided through these programs helps to strengthen our communities by reaching the most rural of our townships and villages, providing increased access to a greater quality of life through the arts. The SCR program began in Chenango County in 1986, with Broome County added in 2003 and Otsego County in 2011. Earlville Opera House began administering the program in 2020.

New York State Council on the Arts established the SCR (previously known as Decentralization) Program in 1977 to foster the continued development of local cultural resources responsive to community need. SCR serves all of New York State's 62 counties, including areas that are geographically isolated, economically disadvantaged

and ethnically diverse. EOH is one of 26 SCR sites across the state. The basic principle of SCR re-grant funding is local decision-making using a peer panel grant evaluation process. The SCR program offers grant support up to \$5,000 for Community Arts and Arts Education projects and \$2,500 for Individual Artist Commissions.

**For a list of all 2023 Statewide Community Regrant projects visit:**  
[earlvilleoperahouse.com/2023-scr-awards](http://earlvilleoperahouse.com/2023-scr-awards)

*The SCR Program is made possible with public funds from the New York State Council on the Arts with the support of the Office of the Governor and the New York State Legislature, and administered by The Earlville Opera House.*
